

This overview is fluid – it will be tweaked in line with the needs and progress of the cohort. Topics will be focussed on each week; most topics will last a week and occasionally for two. Stories and texts will be linked to the theme. We will use Little Wandle which is Letters and Sounds Revised. It is a complete early reading programme. High-quality phonics provision is essential for developing life-long readers, we will use the Foundations for Phonics materials to prepare children for phonics teaching in Reception. In Nursery we are developing a love of reading fostering a strong Reading for Pleasure culture in our setting. Aligning the topic to the reading and writing focus for the week encourages vocabulary and cultural capital, as well as ensuring a curriculum delivery with depth and breadth to provide the best outcomes for our children.

Term	Week	Topic	Texts/Media	Nursery Rhymes and Poems	Communication & Language with Vocabulary	Foundations for Phonics and Writing
Autumn1	1	Induction – Home Visits/ stay and plays
